Because you never know who will walk in the door... start here with Factiva.com

Factiva.com provides over 28,000 sources for researchers of all skill levels, “news hounds,” business researchers, as well as students of politics, the media, technology, the arts and beyond. Factiva delivers the latest from around the world, providing an unmatched collection of global content available to your multicultural community. The comprehensive database allows users to browse sources from 159 countries, in 23 languages—including newspapers, journals and magazines, newswires, websites, blogs, and multimedia. The variety of content serves the needs of users of all types, including those that learn best by listening or watching video.

Factiva is a top business resource for small business owners, retirees watching their stock portfolios, or lifelong learners and business students. Research the latest business and industry news, track global markets, or gather detailed company reports. Factiva.com goes beyond an article database, providing unique tools like:

- Company reports
- Quotes and charting for stocks, funds, markets and currencies
- News Pages
- Saved searches
- Company lists
- Alerts
- Newsletters
- RSS

EUR-Lex Database	Includes directives, treaties, legislation, case law, and documents from the European Union

Features Available to Library Administrators

Saved Searches and Company Lists

Create unique saved searches and lists of local companies so your users can instantly find information in their area of interest.

Newsletters

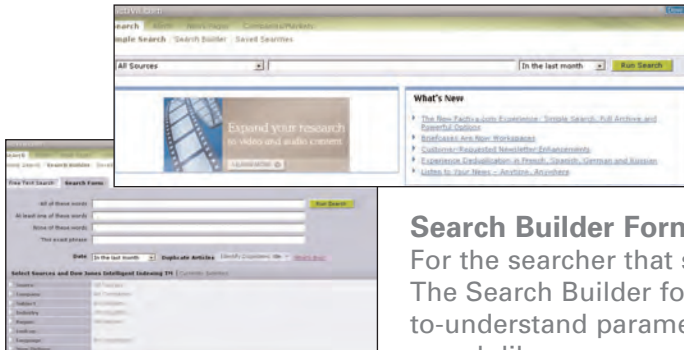

Keep both businesses and power users up to date on the latest news with custom newsletters. Factiva's Newsletter Builder ensures you can create professional-looking newsletters quickly, and distribute them by email, RSS, podcast, or widget.

Workspaces

Gather and disseminate research with workspaces. When the library administrator saves articles to the workspace, those items can be easily distributed through a widget, RSS, or podcast.

Factiva.com Features and Functionality

Factiva.com brings together three search options on one platform, to make it easier for users of all skill levels to search across Factiva's thousands of sources.

Simple Search

Great for users just learning how to research. A single search box provides a straightforward and familiar approach to searching.

Search Builder Form

For the searcher that still needs a little guidance. The Search Builder form guides users toward easy-to-understand parameters that allow anyone to search like a pro.

Search Builder

For your expert searchers. The Search Builder continues to be a superior search tool that researchers have relied on to create complex searches, using Boolean search logic, fields, and Dow Jones Intelligent Indexing.

Everything You Need, Discovered Easily Results

Choose to view articles, websites, and multimedia, or narrow results with the visual Discovery Pane.

Factiva.com News Pages

Factiva.com News Pages allow users to view the latest news on a chosen topic. Library administrators can also create custom News Pages for their unique community.

Company Reports, Quotes and Charting

Find snapshots for over 31,000 public companies, which include news, charts and financial data. Gather quotes and interactive charts for stocks, funds, market indices, and currencies. Up to five years of data is available.

To stay in touch and on top of today's global news ... start here with ProQuest and Factiva.com.
